

K-LOVE is radio station that is nation-wide. It is only one station of its kind that is commercial-free and Christian. In my area, we have all kinds of country, pop, alternative, etc. but K-LOVE provides a wonderful service to the Christians of this community. Every morning I turn it on and am refreshed and renewed. I would deeply regret if I could not hear it each day. There is no other station that provides new Christian music, highlighting new artists, encouraging conversation, and news that affects the Christian perspective. I believe that having this station in my area and all over the U.S. is imperative. With so many stations promoting unethical, immoral subject matter in songs, K-LOVE is a station I know my whole family can listen to and I will not be embarrassed in front of my children or hear things I do not want to think about. Please consider NOT allowing the LPFM stations to take priority over the current FM translator services. We will lose an essential link to wholesome, positive, family-friendly broadcasting.
